

Emergency Medical Technician (EMT-I Bridge)

Provider: Multimed

Length: 80 Hours

Website

<http://www.multimedalaska.com/courses.html>

Program category(ies)

Health Care occupations, training or industries

The Emergency Medical Technician-I is equivalent to the National Standard EMT-Basic, as described in the United States Department of Transportation (USDOT) curriculum, revised in 1994, excluding the use of advanced airway devices. You will also receive your Provider CPR certification during this course. ETT certification is a prerequisite.
